Sir, ~~Through the President,~~ District Board South Kanara

I have the honour to state that the Taluk Board has resolved that a staff of 4 sweepers and 4 scavengers bit 3 brooms and 3 baskets — should be entertained for — conservancy duty for 3 days during the ensuing Makarashankramana festival at Marnakatte in —

K.D.W. 11.

coondapur Taluk to be held from 12.1.29 to 14.1.29 in accordance with the recommendation of the District Health officer, South Kanara. The above festival is attended by about 4000 people and the place of festival is under the control of the authorities (mokthessor) of the temple at maruna-Katte. The sanitary arrangements will be supervised by the Health Inspector.

2. The Taluk Board does not derive any income from the festival by way of leasing out the right of collecting fees from the temporary stall keepers at the jathra, as there are no roads or other lands maintained by or vested in the Taluk Board in the festival centre. The Board has therefore resolved that the temple authorities will be asked to meet the cost of the sanitary arrangements with the approval of the Government. A copy of

The resolution no. 5 dated 10.12.28 of the Taluk Board in the matter is herein enclosed. The cost of the sanitary arrangements will be about Rs 15-0-0.

The Govt regret that they are unable to comply with the Taluk Board's request as the amount of expenditure proposed to be incurred is very small.

Hom 15.1.29 Gl. 15.1.29

MK

The amount of expenditure proposed to be incurred on the sanitary arrangements is Rs 15. The Dr. no proposes to recover the whole amount from the temple authorities. Under section 128 of the M.L.B. Act, it

is obligatory on the Govt to make the necessary sanctary arrangements. It is usual to fix the rate of Contribution to be recovered at 50 per cent of the rect. Cost. It has not been reported whether the temple is a place of pilgrimage. As the expenditure proposed is small the information need not be called for & the requisn. of the Govt Refused. p c/cs
